★ Key Business Insights

- **Total sales reached \$2.30M**, generating **\$286.40K profit** with a **12.47% profit margin**.
- The **West region** is the strongest revenue contributor, followed by the **East region**, indicating regional concentration of sales.
- **Technology** is the most profitable category, while **Furniture** contributes the least profit.
- Sales performance shows a consistent upward trend, with **2017 recording the highest revenue** among all years.
- An average discount of **15.62%** supports sales growth but may impact overall profitability.
- Opportunities exist to improve performance in lower-performing regions and optimize margins in less profitable product categories.
